Happy B-Day, Boston American League
100 Years -- 1901 - 2001

Manny and David will help break the curse of the Bambino. You heard it here.
2000 - A Grand Year. So much excitement - on and off the field.
2001 - A Grand Year. New faces, new attitudes. What could be better. We
play 19 games against The Bronx Bastards. David will win at least six of those.
Pedro and whomever will handle rest. Piece of cake. You heard it hear.

FANTASTIC FRIDAY

APRIL 6, 2001

TAMPA vs. BELOVEDS

34th (Can you believe) Annual Bus Trip

8:30 a.m. Westport RR Station

7:30 p.m. Mario's Victory Party.

Call Ray Duffy (914) 763-5210. Bus, Game, Beer -- Pickwick -- maybe a
pretzel, and autographed picture of Richie Gedman -- just found these in
garbage. Plus the Beautiful, Bodacious, Blohard Bonding. Such a deal. No
grape until Mario's is out of view. Notice we have relaxed our thinking on this.
Close vote. A great day in the country. You heard it hear.
